

Partnered with JSW for Safeguarding Indian Super League

With over 30,000 gathering of spectators, for one day event at Sree Kanteerva stadium, ISL Bengaluru FC Match served as an epicentre of excitement, enthusiasm and pride for all city football fans. The JSW Bengaluru FC committee and stadium chose Terrier Security Services for the event security and safety of premise, people and asset.

To identify and mitigate potential threats, Terrier conducted surveys, risk and threat analysis and planned every phase of event security. We were given 6 days for planning security, crowd management solution, emergency management plan, fire safety arrangements and loss prevention plan.
